

Carbon Pricing in MA – A Key To Solving A Warming Climate

Learn how MA state-wide carbon fee and rebate legislation will create jobs, provide better health for residents and reduce carbon emissions! Panelists will include: Dr. Carsten Braun, climate scientist at WSU; Dr. Marc Breslow, Dir. of Policy & Research at ClimateXChange; State Rep. Jen Benson, lead sponsor of bill H.1726 addressing state-wide carbon pricing; and Rev. Dr. Margaret Bullitt-Jonas, author, minister and climate activist.

When: Tuesday May 8, 2018, 6:00 PM

Where: Dever Auditorium, Parenzo Hall, Westfield State University, Westfield MA

Forum organized by *Voices Rising Together* in partnership with the above sponsors and co-hosted by WSU's Environmental Science Dept. and the Chemical and Physical Sciences Dept. For more information about the forum, contact either Prof. Frank Giuliano, FGIULIANO@westfield.ma.edu or John Meiklejohn at jmiserve183@gmail.com or 413-348-2848.
