

# Association Cluster Meeting for Churches

**The Franklin Federated Church**

**171 Main Street**

**Franklin, MA 02038**

**Thursday, November 14th @ 6:30pm**

The Board of Director's are pleased to continue Cluster Meetings for Central Association Churches. These meetings have been a great success in helping to nurture the vitality of the Central Association Churches and strengthen the covenant between them, the Association, and the United Church of Christ.

The Board of Director's are excited to have The Rev. Sally Norris, Minister and President of Worcester Area Mission Society (WAMS), and Mary Robbins, Vice President for Programs, participate in this year's cluster meetings with a discussion on mission and outreach.

## **Re-imagining Your Church's Mission Ministry**

Would you like to re-invigorate your church's mission ministry? The word "mission" literally means "to send." This is what Jesus did – he sent his disciples into the world to heal and restore with an all-inclusive extravagant love. How do you respond to Jesus' invitation to mission? Can you make your church's mission efforts a "sacrament" to God in today's changing landscape of ministry? WAMS is eager to collaborate with you in finding answers.

We ask that each church attend at least one meeting with 2 to 3 church representatives, and if the pastor is available, they can attend too! To help your church in planning, please see the attached list of this year's cluster meeting locations.

To help the hosting church in planning, we are asking that you register for the meeting. You can register using this [link](#) or you may contact Deb Holmes at [holmesd@macucc.org](mailto:holmesd@macucc.org) or 508-963-8106.
